

# MANIFESTO

I, **Rahul Choudhary (22B2535)**, contesting for the position of **General Secretary Hostel Affairs (GSHA)**, with a firm commitment to students' welfare and a vision to create a positive impact in their lives. If elected, I will work towards implementing the following initiatives:

## **Mess and Eateries**

---

- Renovate the **Aromas Canteen**, to enhance dining experience & hygiene
- Establishment of a **Convenience store** having delivery service option for easy access to essential goods near Hostel 1
- Propose establishment of a **Food Court** in OAT redevelopment project
- Establish diverse **food outlets** near **Hostel 18**, including a bakery and juice shop, catering to accommodate various dietary needs
- Propose setting up of **food outlet** near **Hostel 10** covering diverse menu
- Follow up on the setting up of a **Cloud Kitchen** based food outlet

## **Transportation**

---

- Follow up on increasing the number of **E-shuttles** and introduction of **E-scooters** services to enhance last-mile connectivity
- Push for the introduction of **E-Rickshaws** with strategically placed designated stands to ensure a reliable **24x7 transportation facility**
- Integrate **EV Payment System** with student ID Cards to simplify and streamline the payment process for electrical vehicle services.

## **Security & Student Welfare**

---

- Improve Institute security by installing **speed-sensing cameras**, **license plate detection systems** along with **walkie-talkies** for guards
- Organize **Women Wellness Week** to raise awareness on **PCOD/PCOS** and conduct **PoSH** session, while providing medical guidance

## **Sustainability**

---

- Encourage the campus-wide adoption of recyclable bags over plastic bags
- Follow up on **energy audit** utilizing **smart water meters** and **IoT-based electricity meters** to optimize resource usage

- Enhance the institute aesthetics through **sculptures & vertical gardens** creating a visually appealing and conducive environment for students
- Introduce **Smart Bins** to optimize waste management in the institute
- Establishment of **water segregation** dustbins in hostel messes to promote efficient waste management

## **Institute-Wide Facilities**

---

- Setup a **cycle repair shop** near H12-13-14 to offer convenient services
- Follow up on development of **centralized laundry** service near YP gate
- Follow up on the **hair salon** facility near **Hostel 4**
- Establishment of an **electronic repair shop** on campus to provide efficient and accessible repair services for students
- Revamp the **Hostel Affairs** website to enhance transparency and streamline access to facilities for students
- Development of **seating spaces** with **shed facility** at roadsides
- Installation of a permanent **digital display** at the main gate to provide important information minimizing paper use

## **Hospital & Public Health**

---

- Organize **free health check-up** camp, offering eye and dental check-ups
- Follow up on the **digitalization of PHO services** to ensure transparency
- Revamp a **Hospital feedback** portal to gather student input ensuring continuous improvement in healthcare services
- Push for the installation of **Sanitary Napkin Incinerator Machines**

## **Networks**

---

- Create new workflows to streamline standard procedures on **AMS**
- Follow-up on revamping of **Institute Eateries Portal**
- Installation of **Mobile Boosters** at strategic locations for better networks

## **Credentials**

---

- |                                    |         |
|------------------------------------|---------|
| • Maintenance Councillor, Hostel 6 | 2024-25 |
| • Maintenance Secretary, Hostel 6  | 2023-24 |
| • Joint Secretary, MMA Council     | 2023-24 |
