

# MANIFESTO

I, **Shreyansh Sharma (22B2240)**, am contesting for the position of **General Secretary, Hostel Affairs (GSHA)** with a commitment to enhance infrastructure, accessibility, and sustainability. My vision is to create a hostel environment that is inclusive, transparent and student-centric while ensuring the formalization of institute policies for greater efficiency and accountability. If elected, I will work diligently to implement the following:

## EATERIES & MESSSES

- Propose a **Healthy Snacking Eatery & Bakery-confectionery** outlet near **H-18**
- Integrate the institute eateries into a **Unified Platform**, enabling seamless food ordering & delivery to hostels, by partnering with an online food delivery service
- Implement a **Specialized Menu System** for student canteens featuring exclusive **regional delicacies**, fostering diversity & enhancing student dining experience
- Create a **comprehensive protocol** for regular inspections, penalty mechanisms, & periodic review meetings to monitor & enhance food quality in student messes
- Follow up on establishment of a **subsidized** branded **Cloud Kitchen** based outlet

## PHO & SUSTAINABILITY CELL

- Install **Smart Water Meters** in hostels for accurate consumption data & further reuse of greywater in flushing & gardening using **Greywater Treatment System**
- Establish an animal management system to foster a compassionate ecosystem by:
  - Systemic behaviour tracking to reduce **human-animal conflicts** in institute
  - Regularising feeding, deworming, health check-ups & treatment of stray dogs
- Push for setting up **automatic air fresheners** in washrooms & common areas
- Follow-up on installation of **hand dryers** across all the washrooms & messes

## INSTITUTE WIDE FACILITIES & AESTHETICS

- Enhancing hostel **common areas** through integration of **ambient music** via PA system, diffused lighting, **plant hangers** and installation of **floodlights** in hostel playgrounds for a more engaging experience.
- Propose development of **Playground Amphitheatre** in front of **H-10** with tiered seating and open stage, fostering community engagement and cultural activities
- Establish **24x7 Stationery Shop** near **H-12/13/14**, to serve nearby hostels' needs
- Introduce **IBS Network Boosters** in hostel buildings for better cellular network
- Push for **branded Convenience Store** near **Old SAC** for easy access to essentials
- **Revamp institute playgrounds** near **H15 & H17** by installing pavement lights & acupressure walking tracks to improve aesthetic appeal & well-being

## SECURITY & TRANSPORT

---

- Introduce a **cycle number plating system** with a central ownership database to enhance cycle management, reduce abandonment & improve scrap management
- Propose the installation of **speed detector cameras** and guns at key locations to address **over speeding** by auto-rickshaws and delivery vehicles on campus
- Organise comprehensive **fire safety & traffic rules** training for security guards
- Introduce **E-Rickshaws & E-scooters** fleet while expanding **docking & charging** stations, facilitating improvisation of the E-transport ecosystem.
- Add E-shuttles & revamp its' network by introducing **strategic starting points** and **route optimization**, to reduce turn-around time and maximize accessibility

## HOSPITAL

---

- Push to expand **women's health** facilities by increasing female dermatologist & gynaecologist, while ensuring availability of **female attendants in ambulances**
- Extend **OPD hours** to accommodate students' schedules, ensuring accessible care
- Follow up on hospital digitization, by ensuring **WhatsApp-based** appointment booking with **live waiting status tracking**, for enhanced convenience & care

## TRANSPARENCY

---

- Ensure periodic **Open House sessions** in each hostel, while establishing a **Hostel Affairs community** on Insti App to manage inquires & provide regular updates
- Formalise a detailed **Hostel Constitution** outlining the responsibilities, rights and limitations of hostel authorities (council, hall manager, warden) & residents

## MISCELLANEOUS

---

- Introduce a **structured screening process** to provide additional facilities & infrastructural support for special ability students through PwD Cell
- Introduce a separate **portal** to streamline **hostel guest room** booking process
- Initiate **Bharat 101**, a cultural immersion program for international students
- Launch **CreateX**, a MAKEathon empowering students to develop innovative solutions for institute-wide challenges, & implement best ideas for real impact
- Push for installation of **24x7 Hot Tea & Coffee Vending Machines** in hostel & academic areas in addition to expansion of **Snacks Vending Machines**
